#### **Director's Message**

With another year nearly behind us, it is time to start looking ahead to next year, 2001. We have a national meet in August in Hebron, CT. At this time no other activities are planned.

I would like to congratulate Steve Ciccalone on his appointment to our national AMC board in Davenport this fall. Yankee once again has a voice with the board, a loud one at that. Perhaps he can become the official complaint department / suggestion box instead of myself. Lots of luck with your new post, Steve.

Happy, safe trails to you all!

YANKEE CHATTER is the official newsletter of the YANKEE Chapter of the Antique Motorcycle Club of America, and is published three times a year on a pseudo-seasonal basis (Winter/Spring, Spring/Summer, Summer/Autumn) or when information warrants. The YANKEE Chapter of the AMC of A was established April 8, 1973. Dues for the 2000 membership year are \$ 10.00 individual; \$ 12.50 with spouse. Membership is not transferable and dues are not refundable.

Applicants wishing to join the YANKEE Chapter must FIRST be members in good standing (paid up) of the National AMC of A; however, applicants may send membership applications to the Chapter Membership Chairperson at any time, and memberships received after October 31 st of any year will be held over for the next membership (calendar) year.

Distribution of YANKEE CHATTER is to members of record in good standing (paid up), officers and directors of the AMC of A, and certain editors and other officers of the AMC of A Chapters. As a member of the National AMC of A, YANKEE Chapter is a non-profit organization.

#### 2000 Annual Treasurer's Report

This year has involved some changes in our finances, changes that hopefully will set us on the right track for the new millenium. All of our bank accounts now bear the tax ID number of the national. Thus we share their tax-exempt status. No longer will your treasurer pay income taxes on the Chapter's interest income. I feel that this also puts the Chapter's funds in a more secure setting, as they aren't in *my* name and social security number anymore! In addition, the Internet has made it very easy to research interest rates. Our CD accounts are earning interest ranging from 7.00% to 7.46% APY. The accounts they replaced earned between 5.00% and 5.25%.

Currently, our net worth is over \$20,000, far more than is needed for ongoing expenses. I hope each Yankee Chapter member will give some consideration to appropriate goals for the Chapter's resources. Do you have a favorite charity or good cause? Do you have an interest in the AMCA wing at the Motorcycle Hall of Fame Museum? This is your chapter and it's your money. Your Board of Directors need your input so let your voice be heard.

Respectfully submitted,

Sandra W. Gallo, Treasurer

From my perspective, Yankee Chapter has had a banner year. A terrific road run full of great memories for years to come that none of us

who participated will forget and a chapter meet that surpassed all others in recent Yankee history.

Our summer meet in Hebron, CT was blessed with good weather which is always a bonus. We had 27 vendors in all. Some members from Colonial and Empire even made the

> trip to vend, along with many spectators from all over the Northeast.

Tim Gottier mapped out and led us on an outstanding road run through rural Connecticut on Saturday. Approximately forty machines participated on the run with no major problems. Thanks, Tim!

Some of our long time members made it to Hebron this year. Dick Sharland from Taunton, MA came up with his son and grandson for the day on Saturday with their 1955 Harley-Davidson sidecar rig. Lucky Thibeault was on hand for the day. "Andy" Anderson made it over for the afternoon with two of his sons.

Jessie Aikman Photo

Dean Black and his 1951 Indian Chief with sidecar brought smiles to the faces of many people at Hebron. Mounted on an original Indian sidecar frame, the rocket from a 50's arcade ride sports operating ray guns to deal with any transgressor.

Anthony Rutledge Photo

Betty Lou Babinski (aka Nancy Poirier) found a quiet spot during the road run to stop and give her 1947 Harley-Davidson WL a bit of liquid refreshment.

Jay Fornal was once again kind enough to lend us one of his tents for yours truly to set up an official Yankee headquarters/sales office. It was complete with tables, chairs and a picnic table and best of all provided some shade. This made a perfect spot for people to congregate and swap a few stories.

The atmosphere throughout the weekend

was both relaxed and enthusiastic. In the words of old time Yankee Chapter member, Walter Albert, "Give people a place to go and something to do and they'll make their own fun." Ain't that the truth.

Charlie Gallo took charge of the judging and awarding the trophies to twelve winners in a variety of categories. Thanks, Charlie!

The Giles Adams trophy was also awarded at this time, although there was no competition (literally and figuratively), making Charlie Gallo and his 1929 Harley-Davidson JD the proud winners of this rotating trophy. Despite the lack of entries in this class, no one in our chapter is more deserving of this trophy than Charlie and his trusty JD. They put the miles in (many more miles in a year than lots of modern machines) with few technical difficulties. Who sez those old machines can't take it? Red Adams would be proud.

The Hebron Legion/Lions group decided to make a dinner for all those interested. It featured BBQ ribs, corn on the cob, slaw and watermelon. More than thirty of us sat outside at picnic tables and enjoyed the meal. It was a great way to end the day and the weekend.

Many thanks to all who helped set up, clean up and simply

came to enjoy themselves.
