

AMCA Yankee Chapter Camp and Ride- Moultonborough NH

Date: Friday May 30- Sunday June 2, 2024

Hosts: John (774-219-1886) and Joanne Harrington (508-930-1508)

Location: 90 Holland Street, Moultonborough NH (north side of Lake Winnepesaukee)

Information: We are on 6.5 acres of land with about 4 acres of maintained fields so plenty of room for camping! I have a relatively well stocked shop with a motorcycle lift. We will plan a Friday afternoon ride for early arrivals, perhaps around the lake depending on timing. We will have a porta-potty onsite.

For Saturday's ride we will take some nice backroads through Sandwich, Tamworth, Ossipee on our way to a stop at Squam lake (where On Golden Pond was filmed). If there is interest, we can hold an antique motorcycle show at High Octane Saloon, formerly the Broken Spoke in Meredith NH. After another quick stop in Weirs Beach, we will meander our way back to Moultonborough. We will plan on 2 riding groups- one for those that like to go a bit quicker and another for more casual riders. The following weekend is the start of Laconia Bike week, so there will be a lot of vendors setting up down the Weirs.

The fire pit will be open for business Friday and Saturday nights! Dogs are welcome
